## REACH NEW HEIGHTS with Pepperdine's Doctor of Philosophy in Global Leadership and Change

Aimed at working professionals, this program is ideal for those who want to pursue academic careers, lead and advance social issues through various advocacy endeavors, direct and/or influence policy and governance, conduct advanced scholarship, and take on complex organizational issues.

With a focus on leadership theory within local and global organizations, organizational behavior, qualitative research and analysis, and transforming organizations in the global community, the PhD in Global Leadership and Change guides students in establishing new methods of analysis, resulting in creating new knowledge via original research.
