

2021-2022 Standard Verification Worksheet Independent Student

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that during the verification process, we may ask you to confirm the information that you reported on your FAFSA. We will compare your FAFSA data to the information provided on this worksheet and to any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to the GSEP Financial Aid Office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
