

# CLINICAL CONNECTIONS

*Illuminating Relevant Clinical Issues and Networking with Colleagues*

## **CHILDHOOD DEPRESSION**

**\*\*\*NOT A MYTH\*\*\***

**Presented by  
Helena Cerny, PHD, MFT**

The objective of this presentation is to familiarize students with the symptoms and treatment of childhood depression, as well as Childhood PTSD and attachment issues with children.

Open discussion and a case presentation will be presented, and we encourage you to bring any questions you may have about these childhood disorders.

**Saturday, October 23<sup>rd</sup>, 2010**

**10:00 – 11:30 am**

**Pepperdine University – Encino Campus**

Helena Cerny is working in the field on mental health and psychotherapy for over 25 years. She was overseeing a program for emotionally disturbed children, a school based mental health program and a juvenile justice mental health program. Currently she is a director of mental health service at The Village Family Service. She is a clinical supervisor, instructor for interns and trainees and she is in charge of a Multi Assessment program. She is also working in private practice focusing on the adult population.

*Sponsored by Pepperdine University's Clinical Training and Professional Development Office*

**FREE WORKSHOP! FREE PARKING!**

**Clinical Connections is an exciting, free networking opportunity for Licensed and Pre-Licensed M.F.T.'s and Psy.D.'s and alumni from different universities to connect. It will offer a forum to discuss clinical issues with colleagues, learn from other's experiences, and to gain support and insight. We hope that you join us!**
