

**IGC PSYCHOLOGY PROFESSIONAL DEVELOPMENT
CLINICAL CONNECTIONS**

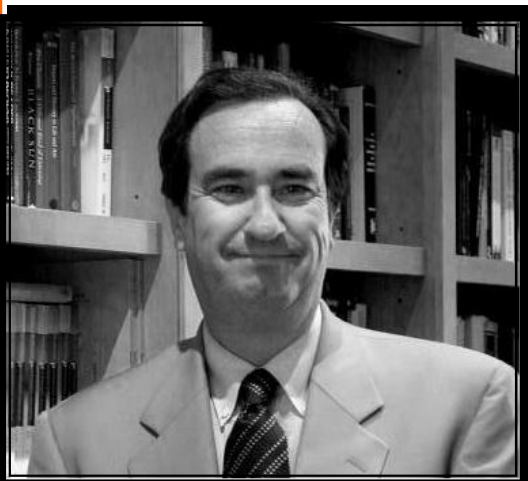

***Illuminating Relevant Clinical Issues
& Networking with Colleagues***

**WORKING WITH AFFECTS IN PSYCHOTHERAPY:
EMPATHY, INTERPRETATION, AND MENTALIZATION**

Central to the psychotherapeutic process is the empathic recognition of the client's emotional experience. This program will feature presentation and discussion on contemporary psychoanalytic approaches to enhance affect regulation through interpretation and mentalization. Clinical vignettes and video will be included to illustrate the theoretical principles.

**Friday, March 6th, 2009
7:00-9:00 PM, 3rd Floor, Room 324/326
Networking Begins at 8:30 PM
Pepperdine University - Irvine Graduate Campus
18111 Von Karman Avenue, Suite 332, Irvine, CA. 92612**

Edward Shafranske, Ph.D., ABPP, is Professor of Psychology and Director of the Psy.D. Program at Pepperdine University and lectures in the Department of Psychiatry, David Geffen School of Medicine, UCLA. He is a fellow of the APA, member of the American and International Psychoanalytic Associations, past president of APA Division 36, and past chair of the CPA Division of Education and Training. He served as editor of *Religion and the Clinical Practice of Psychology*, and the forthcoming *Spiritually-Oriented Psychotherapy*, and is co-author of *The Practice of Clinical Supervision: A Competency-based Approach*. A practicing psychologist and psychoanalyst, Dr. Shafranske is actively involved in graduate education, clinical training, supervision and applied research and scholarship.

If you are unlicensed, you may be able to get hours towards licensure with your clinical supervisor's approval! This is a FREE event!

Please RSVP to Kathleen Wenger at psyprofdev@pepperdine.edu.

This event is sponsored by the IGC Clinical Training & Professional Development office.
