Graduating education and psychology students have been invited to join the GSEP Waves of Change campaign, pledging to support students who will soon follow in their footsteps. These graduates are stepping forward to change the culture of giving—proving that if everyone joins together to give, we will greatly expand the opportunities available to future education and psychology leaders.

A special thank you to the following graduates for donating to the GSEP Waves of Change campaign. Your gifts make a tremendous difference in the lives of future Waves. Thank you for creating a legacy and living out George Pepperdine's motto: "Freely ye received, freely give."

As a Christian university, Pepperdine affirms:

That God is

That God is revealed uniquely in Christ

*That the educational process may not, with impunity,
be divorced from the divine process*

*That the student, as a person of infinite dignity,
is the heart of the educational enterprise*

*That the quality of student life
is a valid concern of the University*

*That truth, having nothing to fear from investigation,
should be pursued relentlessly
in every discipline*

*That spiritual commitment, tolerating no excuse
for mediocrity, demands the highest standards
of academic excellence*

*That freedom, whether spiritual, intellectual,
or economic, is indivisible*

*That knowledge calls, ultimately,
for a life of service*
