REACH NEW HEIGHTS

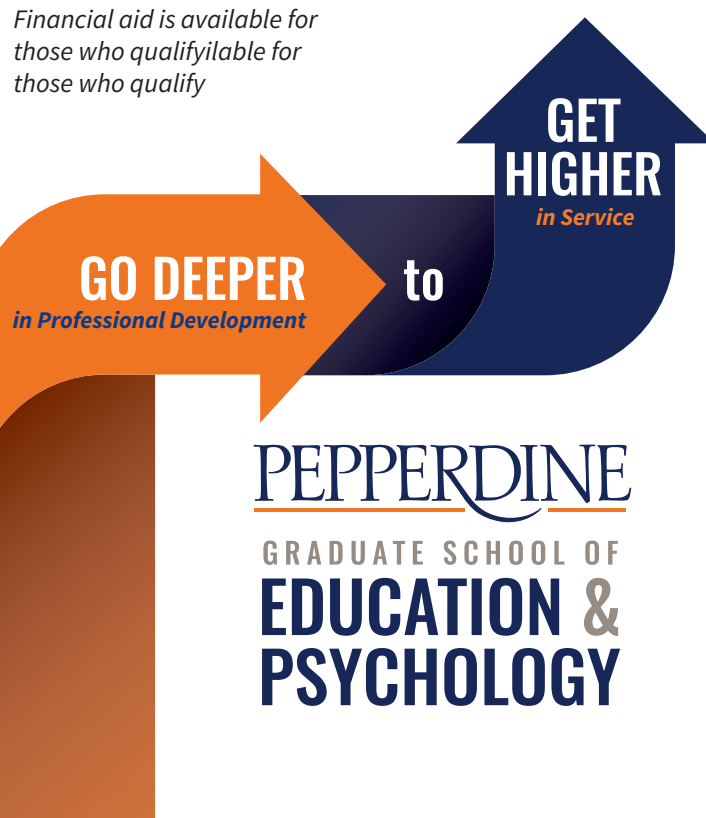

with Pepperdine's Master of Arts
in Psychology

For students interested in joining the human services field or in entering a doctoral program, the Pepperdine's Master of Arts in Psychology is the perfect match.

This program offers theoretical and practical learning within a strong clinical framework, while providing a thorough education in the principles of psychology.

As part of the program, students gain supervised counseling experience in a clinical settings and are also equipped for doctoral programs in clinical psychology, counseling psychology, or family therapy.

Our daytime/evening, traditional classroom program covers 36 - 48 units over the course of 18 months to two years, and is available at our West LA, Encino, and Irvine campuses. New students may begin the program during fall, spring, or summer session.

Every day, students at Pepperdine are challenging themselves to diversify their perspectives and achieve academic excellence through our wide range of master's and doctoral programs in psychology.

And the results are impressive. Pepperdine graduates are elevating themselves in social purpose, meaningful service, and innovative leadership throughout the world to ultimately make a difference in the lives of others.
