

A vibrant photograph of a waterfall in a dense, moss-covered forest. The water is white and frothy as it falls from a high point, creating a misty spray at the base. The surrounding vegetation is lush and green, with many ferns and moss-covered rocks. The scene is captured in a slightly blurred, long-exposure style, giving it a sense of movement and tranquility.

Welcome to the Jungle!

Pepperdine University's 10th Annual Practicum Fair!
Tuesday, May 13th from 4-7 pm, Room TBA.
Meet some of Pepperdine's favorite supervisors and sites,
speak with fellow students, and enjoy some good food.
RSVP to Rebecca Reed: (310) 568-5776
