WEST LOS ANGELES GRADUATE CAMPUS
Student Parking Cardkeys are available from the parking office in the parking structure for a fee of $65.00 per term (plus a $15.00 administrative fee for new keycards or for reinstating unpaid accounts. The Cardkey may be renewed each following term with no further administrative fee, as long as the student keeps the same card.) This cardkey permits unlimited parking from 2:45 p.m. to 11:30 p.m. on weekdays, 6:45 a.m. to 8:00 p.m. on weekends and holidays. Cardkeys may also be obtained by completing the parking form on the web at: http://community.pepperdine.edu/gsep/student-services/parking/. Keycards not renewed within five (5) days of the start of the term will be deactivated and student will be charged a $10.00 late fee. Students not possessing a Cardkey should take a ticket from the gate. This ticket should be stamped in the valometer available in Suite 200 (West Los Angeles Graduate Campuses Office), open from 8:00 a.m. to 5:00 p.m. The ticket must be stamped to qualify for the student rate. Unauthorized cars parked in reserved spaces are subject to tow-away on a 24-hour basis.

IRVINE GRADUATE CAMPUS
Regular students (taking one or more courses per term) will be charged a $65.00 Facilities Fee to their student accounts each term. Parking structure gates will be down 24/7. No attendants will be on duty. Students must obtain a ticket and bring the ticket to Suite 209; tickets will be validated between 3-7 p.m. A lost ticket will cost the student $14.00 upon exiting. Parking rates: ½ hour (1-30 minutes) $1.75, additional with $1.75 every half hour, and a daily maximum of $14.00.

ENCINO GRADUATE CAMPUS
Regular students (taking one or more courses per term) will be charged a $65.00 Facilities Fee to their student accounts each term for a regular parking pass, which provides unlimited parking from 2:30 p.m. to 11:00 p.m., Monday through Friday. The University provides parking validation between 2:00 and 2:30 p.m. for weekday classes scheduled to meet before 2:45 p.m. The hours prior to 2:30 p.m. are not covered by the regular parking pass. The University validates for weekday classes prior to 2:30 p.m., only for students attending a class, or other Pepperdine activity starting prior to 2:30 p.m. Parking is free on Saturdays; Pepperdine is closed on Sundays. Students may obtain a Parking Pass Application Form and parking pass from the Reception Desk in the lobby during the first two weeks of each term. Students with a parking pass must take a ticket from the gate in order to gain entry into the parking lot. Upon arrival at the Pepperdine Reception area, the student must stamp the gate ticket in the valometer (on the counter). Pepperdine students may park in underground Levels B-1 and B-2, and about half of the parking structure’s roof-parking area. Street parking is free after 6:00 p.m. weeknights.

WESTLAKE VILLAGE GRADUATE CAMPUS

WAIT LIST PROCESS

For Master’s Students Only
If you are unable to register in a class, you may put yourself on the WAIT LIST for a course that is full at time of registration. Students that are on a wait list are not considered officially enrolled in that class.

If a space becomes available for the class, the department will notify you either by phone or via e-mail. If you have not been notified by phone or e-mail before the class begins, please pick up a Registration Adjustment Form from your Academic Advisor and take the form with you to the class you wish to add. You will need to obtain the signature from the faculty, indicating that he/she allows you to enroll in his/her class. Submit the signed Registration Adjustment Form to your Academic Advisor.

Please do not put yourself on the wait list for MORE THAN ONE SECTION. Your cooperation will help us to identify how many students want to enroll in a particular class.

GSEP reserves the right to move wait-listed students as well as registered students (specifically, those students last to register) into a newly-added class section to equalize class size.

Please Note: Professors are guaranteed that class enrollment will not exceed the capacity; it is at the discretion of faculty that a student on a wait list is added to the class. Instructors are under no obligation to add those on a wait list to their classes.

Graduate Campus Locations
The Graduate School of Education and Psychology offers courses at five southern California graduate campuses: West Los Angeles, Westlake Village, Irvine, Encino, and Malibu. Please note that all academic programs are not offered at all graduate campuses. Maps, directions, and information on programs offered at each graduate campus can be found at: http://gsep.pepperdine.edu/welcome/locations/

Use of Data for Evaluation Purposes
The Graduate School of Education and Psychology (GSEP) evaluates its programs on an on-going basis. The data from such evaluations provide us with information to help improve the quality of the educational experience we provide our students. The data are also required by accrediting bodies, such as the Western Association of Schools and Colleges (WASC), to make decisions as to whether we can maintain our accredited status. The data included in the archive may include: (a) information provided on the application for admission; (b) surveys that are administered at different stages of matriculation; (c) course work such as papers, examinations, and exercises; and (d) other relevant academic data and records such as GPAs. The data entered into the archive are de-identified, which means your name or other personally identifying information is removed so that the data cannot be associated with your identity.

Graduation
GSEP conducts only one graduation ceremony each year that all qualified potential graduates may attend. However, your degree is posted at the end of the term in which all degree requirements are completed. You are required to fill out a Graduation Application and pay the $65.00 graduation fee for the degree to be posted. For graduation ceremony information visit: http://community.pepperdine.edu/gsep/student-services/graduation/.

The term for which you apply to graduate is determined by the term in which you expect to complete your degree requirements:

REGISTRATION INFORMATION AND GUIDELINES

Eligibility to Register
Students are required to be cleared by the Student Accounts and Admission Office before registering for classes. A student who has been absent for more than two calendar years is required to file a new application with the Admission Office and pay the regular application fee. Students are permitted to register in Unclassified Admission status for only one term. For policies, consult the most current GSEP Academic Catalog, available on the GSEP website in the Education and Psychology sections at http://gsep.pepperdine.edu. It is the responsibility of every student to attend to the correct procedural matters.

Adding or Dropping of Classes
Students may add or drop classes online during the add/drop period (see the Academic Calendar on Page C). After the add/drop period, students who drop a class(es) must complete a Registration Adjustment Form or notify the Psychology or Education Academic Advisor in writing using their Pepperdine email account. Students will not be permitted to add classes after the add/drop period. Please note that adding or dropping classes may affect your student account balance and your financial aid eligibility.

Temporary or Permanent Withdrawal
All students who wish to withdraw from all classes for the term or withdraw permanently from the University must notify the Psychology or Education Academic Advisor in writing on a Registration Adjustment Form or using their Pepperdine e-mail account. If notification is postmarked by the end of the add/drop period, all tuition will be refunded, less a $150 withdrawal fee. If it is during the withdrawal period, please see the Refund Schedule on Page C for refund percentages. A grade of “W” will be assigned.

In the event a student fails to attend a class, or leaves the University for any reason, the student must formally withdraw through the Psychology or Education Academic Advisor in writing on a Registration Adjustment Form or using their Pepperdine e-mail account. Failure to complete the withdrawal process will result in a failing grade for the course(s) and continued obligation for tuition and other charges.

Auditing a Course
Students may audit certain classes with the consent of the instructor, providing space is available. An audited class does not appear on the student’s academic record and no grade is assigned. Program requirements cannot be met through auditing. Students who are not enrolled for other courses will be assessed a fee of $100 per audited course. The Petition to Audit a Course is available for download on the Registration website: http://community.pepperdine.edu/gsep/student-services/content/petition-to-audit-a-course.pdf

Enrollment Verification
Enrollment verification can be processed by the Office of Student Information and Services (www.pepperdine.edu/registrar/verifications/enrollmenthistory.htm) or through online Self-Service Enrollment Verification from your Student Center after the add/drop period. Students must indicate the specific term(s) of enrollment they wish to be verified. Future enrollment will not be verified.
**Payment of Tuition and Fees**
Students are responsible for anticipating total tuition and fee charges and should be prepared to make appropriate payment on or before the first day of the term. If financial arrangements are not completed by May 4, 2013, finance charges will be assessed. Students who have had a check returned are required to make subsequent tuition payments by cash or cashier’s check. **Past due accounts are required to be paid in full prior to registration.** Registration is not finalized until financial obligations are met. Students pay online through Wavenet or by cash or check.

**Two Payment Plan**
The first half of the payment of the Two Payment Plan is due on May 4, 2013, and the balance is due 30 days later. Failure to make either payment on time will result in the assessment of finance charges. Students must sign up for the payment plan online by logging into the Student Center, selecting “Account Inquiry” and then selecting the “Payment Plan” tab **before** the start of the term. Students may also contact the GSEP Student Accounts Office at (310) 568-5588 or gsepsa@pepperdine.edu to sign up for the payment plan.

**Three Payment Plan**
Under the Three Payment Plan, the tuition charges are divided into three equal payments per term after deduction of any applicable financial aid or company reimbursement. First, second and third payments are due on May 4, 2013, and then 30 and 60 days later, respectively. Failure to make payments on time will result in the assessment of finance charges. Students must sign up for the payment plan online by logging into the Student Center, selecting “Account Inquiry” and then selecting “payment plan” **before** the start of the term.

**Company Tuition Reimbursement**
If students are reimbursed for all or part of their tuition by an organization, the University will allow them to defer payment. Summer 2013 tuition payment must be received by the Student Accounts Office at the West Los Angeles Graduate Campus on or before September 15, 2013, to avoid a $50 late payment fee and finance charges that accrue daily on any unpaid balance. In addition, the privilege of deferring payments under the Company Tuition Reimbursement Plan at future registrations may be revoked.

The student is ultimately responsible for payment of all charges incurred on the student account, regardless of the company’s agreement. To qualify for the Company Tuition Reimbursement Plan students must submit a Company Reimbursement Agreement available at [http://gsep.pepperdine.edu/student-services/student-accounts/companyreimbursement.htm](http://gsep.pepperdine.edu/student-services/student-accounts/companyreimbursement.htm).

The Company Reimbursement Agreement must be submitted at the start of each term if it only defers one term, the student does not attend for one or more terms, the student’s company changes policy or amount covered or the student is no longer employed by the company. Failure to submit proper documentation will result in loss of deferment privileges.

**If the company reimburses less than 100% of the total tuition, the student is responsible for the balance, which is due on or before the first day of the term.** The balance may be paid according to the Payment Plans listed above.
Pepperdine University Faculty/Staff Tuition Discount Form
Eligible employees of the University must submit a Faculty/Staff Tuition Remission Form. The form can be completed online at http://community.pepperdine.edu/hr/benefits/fulltime/tuition.htm

Financial Aid, Unit Load, and Enrollment Status
Financial aid awards are based on an analysis of the student’s financial aid eligibility and enrollment status. Students must reapply for financial aid (FAFSA) before the start of each academic year. Students must be enrolled half-time to receive a Federal Stafford loan and full-time in coursework to receive a Colleagues Grant and/or scholarship (enrollment in comprehensive exam and dissertation does not qualify for Colleagues Grant). All financial aid may be adjusted upon review of a student’s eligibility and enrollment status at and after the start of the term.

The enrolled student status categories are as follows:
1. Full-time status: Enrolled in 6 units per term
2. Half-time status: Enrolled in 3 units per term
3. Enrollment in doctoral internship, dissertation, or comprehensive exam courses constitutes full-time status.

If student plans to borrow a student loan, the loan application and loan entrance counseling must be complete prior to registration. Students applying for financial aid should visit the financial aid web site at http://gsep.pepperdine.edu/financial-aid for more information. Students are responsible for tuition payment arrangements if their financial aid does not cover the full tuition cost. Payment arrangements must be made with the Student Accounts Office by the last day of the add/drop period each term.

Veteran’s Benefits
Veterans utilizing Veterans Administration benefit programs should consult the Office of Student Information and Services prior to registration at (310) 506-6199 or visit: http://www.pepperdine.edu/registrar/veterans/.

Security Interest in Student Records
Students may not receive any diploma, certificate, or transcript until all accounts have been satisfied in accordance with University policies. Such documents will be retained by Pepperdine University as security for obligations until they are satisfied. The security interest shall not be discharged by bankruptcy or other creditor arrangements.

International Student Advisement
International students enrolling at the University for the first time should consult the Office of International Student Services (OISS) within the first week of the term at (310) 506-4246 or visit: http://www.pepperdine.edu/internationalstudents/. The office is located on the Malibu Campus, Thornton Administrative Building (TAC) next to the Office of Student Information and Services on the 2nd floor.
Plagiarism
Plagiarism is commonly understood in the academic community to involve taking the ideas or words of another and passing them off as one’s own. When paraphrasing or quoting an author directly, one must credit the source appropriately. Plagiarism is not tolerated at the Graduate School of Education and Psychology.

Discrimination and Harassment Policy
Pepperdine University does not unlawfully discriminate on the basis of any status or condition protected by applicable federal or state law in the administration of its educational policies, admissions, financial assistance, employment, educational programs, or activities. Please see the Academic Student Catalog for a detailed description of the University’s policies regarding discrimination, harassment, sexual misconduct, as well as applicable complaint and grievance procedures.

Student Records Policy
The Family Educational Rights and Privacy Act of 1974, also known as the Buckley Amendment or FERPA, and California Code 67-100ff provide, generally, that (1) students shall have the right of access to their educational records, and (2) educational institutions shall not release educational records to non-school employees without consent of the student, subject to the exceptions provided by law. “Students” as used in this notice includes former students, but does not include applicants who have not attended Pepperdine University.

Right of Access: With a few exceptions provided by law, students at Pepperdine University may see any of their educational records upon request. Students further have the right, under established procedures, to challenge the factual accuracy of the records and to enter their viewpoints in the records.

Students may waive their right of access to recommendations and evaluations in the cases of admission, applications for employment, and nominations for awards. Pepperdine University may not require students to sign a waiver of their right of access to their records, but students and prospective students should be aware that users of recommendations and evaluations made without a signed waiver may discount their helpfulness and validity.
Student Records Policy (cont.)

Disclosure of Student Records: With several exceptions provided by law, Pepperdine University cannot release information concerning students to prospective employers, government agencies, credit bureaus, etc., without the written consent of the student. Students and alumni applying for jobs, credit, graduate school, etc., can expedite their applications by providing the University with written permission to release their records, specifying which records and to whom the release should be made. The student’s written consent is not required for the disclosure of grades, disciplinary action, or other information to parents of students who are dependents for federal income tax purposes. Parents requesting information may generally be granted access upon submission to the University of a signed statement or other evidence of federal income tax dependency.

REPORTING A THREAT

While shootings in schools are rare episodes, when they occur, they are often devastating. As an institution of higher learning, it is important for Pepperdine to view these types of incidents with the appropriate perspective. Since 1966, there have been 89 shooting deaths at U.S. universities and college campuses; Virginia Tech was the largest. Compare that to the approximately 1,100 that commit suicide on college and university campuses every year, or the 1,400 to 1,700 alcohol-related deaths on college and university campuses each year.

Despite shootings on campuses being rare, we as a community must be vigilant and prepared. It is important to note a few facts about these types of shootings. The Secret Service has studied the 30 major shooting incidents that have taken place at schools (elementary through college) since 1974. They found remarkable similarity in them. First, almost all of the individuals who have committed these crimes have been male, and were known for being isolated socially. Almost all of them planned out their actions in advance, and over three quarters of them actually shared their plans with others before putting them into effect. Unfortunately, in only two cases did anyone report the plan to authorities before the attack. With these facts in mind, it is critically important that members of our community report threats and potential threats in a timely manner.

If you believe an individual poses an imminent threat to a member or members of the University community, please contact our Department of Public Safety immediately. If you are located at a graduate campus and believe imminent danger is likely, please contact 911 immediately and then contact the Department of Public Safety. If you do not believe that harm is imminent, but an individual’s behavior seems threatening or seems like it could lead to harm to the individual or to the community, you should report the concern. If you are a student or a faculty member, contact Public Safety or your dean’s office. If you are a staff member or other member of the community, contact Public Safety or the Center for Human Resources. In the event you would like to submit a report during non-business hours, the Department of Public Safety is open every day, 24 hours a day. It is better to err on the side of notifying the appropriate individuals than to remain silent; the institution has resources with which to assess these situations and the individual of concern. If you have any questions, please contact the Department of Public Safety.
