

We're a part of a
larger organization:
CAPS
International

Founded in 1956 by a
small group of Christian
mental health professionals,

CAPS International has
grown to more than 2,100
members in the U.S., Can-
ada, and more than 25
other countries.

CAPS International mem-
bers represent a variety of
denominations, professional
groups, and theoretical ori-
entations, all united to their
commitment to Christ and
professional excellence.

CAPS International is a non-
profit, member-supported
organization, led by a
board of directors.

Who We Are:

A group of Pepperdine students, faculty, staff, and alumni dedicated to exploring the integration of our Christian faith with our academic and clinical work, and building fellowship with each other.

Embracing diversity, we invite all members of the GSEP community to participate in our activities.

You are invited to join us at our upcoming events and meetings!

Some of our activities include:

- ◆ Hosting and attending talks by guest speakers, seminars and conferences on religion and psychology
- ◆ Engaging in community service
- ◆ Enjoying social activities together
- ◆ Bible studies & worship
- ◆ Meetings to discuss the integration of faith and practice

Pepperdine CAPS Chapter Participates in Annual Service Project

Our CAPS Chapter kicks off every academic year by giving back to the community. The 2nd Saturday in September, we participate in

Step Forward Day, which is a day of service organized by Pepperdine University.

In 2007, we joined the GSEP Urban Initiative in a *Back to School Celebration* with residents of Hope Gardens; in 2006, we helped transform with paint and elbow grease Project Serve, a non-profit organization offering self-help groups to the Los Angeles community; in 2005, we cultivated plants and friendships at the Crenshaw Community Gardens; and in 2004, we helped to re-paint the Conejo Valley YMCA preschool.
