### INTENT TO GRADUATE

The Graduate School of Education and Psychology holds only one commencement ceremony each year that all qualified potential graduates may attend. However, your degree will be posted at the end of the term in which your degree requirements are completed and will match the degree completion date on your diploma. You are required to fill out this form if you want your degree posted. Please check the current academic school catalog or term handbook for the application deadline.

If you have a change of name during your enrollment at Pepperdine and need to update your student records to reflect your current name, please submit copies of legal documentation such as a court decree/order, marriage license/certificate, or passport with a completed Name Change Request Form. The form can be found at <http://www.pepperdine.edu/registrar/content/studentnamechange.pdf>.
